MUYLLE-FACON

A PASSION FOR WOODTREATMENT SINCE 1962

Muylle Facon was founded in 1906 as a manufacturer of high-quality putty and is now an important producer of waterproof products, coatings and sealers, impermeable and impervious to water, and other specialties for buildings.

It's first range of wood treatment products was launched in 1962:

Teintécire: Waterbased colourstain with warm colours, which provides a nice gloss and antique look.

Ciraneuf: Liquid or solid beeswax based on turpentine.

Boizaneuf: Paint remover.

The close collaboration between the laboratory, the sales-team and the applicators has resulted in the development of the unique *Rubio* MONOCOAT range.

Rubio is a Registered Trademark of Muylle-Facon.
